

## FIBONACCI MUSIC POEM

For this assignment you will write a poem. The topic of the poem is up to you as long as it's appropriate. Ideally the poem would have to do with nature since the Fibonacci sequence can be found in nature.

### **Requirements for the poem**

1. Must consist of two stanzas. The first stanza will have lines where each line contains the syllables that correspond to the first seven Fibonacci numbers and the second stanza will be the reverse

Stanza 1: 1, 1, 2, 3, 5, 8, 13

Stanza 2: 13, 8, 5, 3, 2, 1, 1

2. Once you have written the poem, you will then create an iMovie in which you will narrate various scenes that correspond to your poem. Make sure to include lots of visual, pictures and props. ONLY 50% of your movie should be pictures. The rest is live action.

3. The movie should have transition effects and clear narration.

4. Each scene that has a part of your poem must also have the text on the screen. Be creative with how the text interacts with the rest of the scene.

5. Make sure to include appropriate music in your entire movie.

6. Movie should have a title slide introducing your musical poem

7. Save your movie as .mp4 file and name it Fibonacci Poem Video
