

Math City

Math, math city kid, city kid
Math, math, math city kid,
Math, math, math city kid, city kid
Put it on the beat

Math city kid math math city kid
Ten ten twenty equals fifty kid
No matter what imma ace this math test
Listen up, do you know who you messin' with?
Mathematics teach sharing all these math hits
Studyin' all night while the sky's moonlit
Make it sound so hard I ain't fakin' it
My class cooler than an Altoid peppermint
Study hard man no extra credit kid
High level, high level don't go quittin' it
Make ya jaw drop with this hit
Man you know what it is

(HOOK) 2x

Math city kid math math city kid
Math city kid math math city kid
Math city kid math math city kid
Ten, ten, ten, twenty equals fifty kid

I'm a super math whiz (whiz)
Check out the grades on my quiz (quiz)
Too much brains so you can't dismiss
Calculator out now get down to biz
My brain is working turbo
Winning every moment super lotto
Bravo, I got dreams, that's my motto
I'm all about the math, I'm head honcho
Hey chico step the way back
Got math skills so I'm on the attack
Capture perfect, moment kodak
Yeah that's right I'm top of the class
Nah man you can't surpass
Back To the Future you know I'm rad
This is the anthem and that's a fact
Have love for the math yo you know how it is

(HOOK) 2x

Gettin hundreds, hundreds,
hundreds, hundreds
Gettin hundreds, hundreds
Math city kid math math city kid
Gettin hundreds, hundreds,
hundreds, hundreds
Gettin hundreds, hundreds
Math city kid math math city kid

Health city kid, health health city kid
Ten pull-ups ten push-ups now let's go kid
No matter what imma make u break a sweat
Now c'mon, can you feel yourself gettin' fit
Kinesthetics, polymetrics now you don't go quit
Eatin' all right watchin' my diet
Don't give up now it is definite
